admission requirements

- Transfer students are admitted on a rolling basis using the criteria below.
- You should apply for the Fall semester no later than June 1 prior to the semester you wish to start.
- You should apply for the Spring semester no later than December 1 prior to the semester you wish to start.
- Students with 24 or more earned transferable semester hours of credit must have a 2.0 cumulative average on a 4.0 scale.
- If an applicant has attended more than one institution, the cumulative GPA will be computed on grades received in courses from all institutions attended.
- Students with fewer than 24 transferable credits must have a 2.5 minimum cumulative average and provide an official high school transcript and SAT or ACT scores to the Admissions Office prior to admission.
- If you are admitted while still enrolled at another institution, you must maintain the required cumulative grade point average and remain in good academic standing to maintain your admission to FSU.

Transfer Checklist

- Complete the application for admission available online at http://gobobcats.frostburg.edu.
- Complete the residency portion of the admission application.
- Complete the application fee transmittal form and attach your $30 non-refundable application fee, or pay online.
- Provide the Office of Admissions with official transcripts from all colleges attended.

transfer credits

- You can not transfer more than 70 credits from a community or junior college. You are limited to a maximum of 90 credits when transferring from other four-year colleges and universities.
- Transfer students are required to complete at least half their academic major requirements at FSU.
- When a student transfers, grades are not recorded on the FSU transcript for credits earned at other institutions and those credits are not computed into the student’s FSU grade point average.

the articulation system

Students transferring from Maryland community colleges are encouraged to utilize the ARTSYS website to determine the transferability of any Maryland community college course to FSU. (http://artweb.usmd.edu/)

graduation requirements

Usually, you will meet the graduation requirements for the catalog that was in effect at FSU during your first semester of enrollment at the sending institution. If you had more than two sequential years of non-enrollment since enrolling in an institution of higher education, you must meet the graduation requirements of the Frostburg State University catalog in effect at the time you first enroll at Frostburg State University.
