Instructions for PA Bureau of Career and Technical Education (CTE) Students Occupationally and Academically Ready (SOAR) Program of Study Search

Using the
PA Bureau of Career and Technical Education Program of Study Search
Under the **Search** tab, select **PA Bureau of CTE SOAR Programs**.
Instructions

The search below is for users to see how PA Bureau of Career and Technical Education SOAR Programs of Study taken at the High School level may transfer into participating college, universities, and technical centers. Please select a Program of Study and Graduation year.

Once a search is completed, the results displayed will indicate how credit may be awarded to an individual that has successfully taken the particular Program of Study. The results are ordered alphabetically by institution and users can select View Detail to see more information about the articulation.
Under **Search Criteria**, Step 1 is to select the Program of Study by its Title or its CIP Code. Step 2 is to select the high school graduation year.
Display When Selecting Program of Study by Title

This is a display of the Programs of Study drop down menu. Select a program and move on to the next field.

The drop down menu displays the Program Title followed by the CIP code for the program.
Display When Selecting Program of Study by CIP Code

The drop down menu displays the **CIP code** followed by the **Program Title** for the program.

This is a display of the **Programs of Study** drop down menu. This example is ordered by the **CIP code**.
This is the display of the Graduation Year drop down menu.

Step two is to select an actual or expected high school graduation year.
Initiating the Search After Selecting Program of Study and Graduation Year

After selecting a Program of Study and a Graduation Year, click on Search.
The **Program of Study** CIP description is displayed at the top of the results page.

Postsecondary institutions offering credit for the specific Program of Study are listed in alphabetical order by institution name. Comparable courses and the credits awarded by each institution are also displayed.
